

Place your Scrip order online at “Shop With Scrip”

There is a way that you can input your order online thru "Shop With Scrip" and then send your check and a print out of your order to school in your Scrip Envelope. You will not need to fill out a form.

Local Vendors:

- Giant Eagle (Local) (Category: Grocery) (they can be used at the Get Go's I could only put under one category)
- McDonalds (Local) (Category: Dining on the go)
- Shop N Save (Local) (Category: Grocery)

Shop With Scrip also has Giant Eagle and Shop N Save. Make sure when you order online that you click on "Giant Eagle (Local) and Shop N Save (Local)". The other Shop N Save will not work here. The Giant Eagle is a different percentage. I can get 5% where GLSC only gets 4%.

How to get started:

1. Go to <http://www.shopwithscrip.com>
2. Click on create an account (green button) (When doing this you can pick your username and password. Then you will be asked for an enrollment code after you click accept.
3. The enrollment code is 8847653L11569 (it should say St. Sebastian School/Belle Vernon, PA and coordinator as Amy Zakrzwski

To Place your order:

1. Click on order and order what vendors you would like. Then you will need to check out and print your order. Put the print out of your order with your check and send into school in the Scrip Envelope or a plain envelope "Amy Z - Scrip Program" (if you do not have your scrip envelope then do use the plain envelope). The Scrip envelop is used to put your order in and to send home.

Reloads:

1. You can reload a gift card you received thru the Scrip program and then reload it and have the money within 24-48 hours reloaded onto your gift card. Shop With Scrip has a list of vendors who you can use the reload feature with.
2. To process, click on order, click on the reload at the top of the page, then choose the vendor you would like to reload.
3. Register your gift card you currently have for the vendor. Once registered then input the total amount you would like loaded onto the card.
4. Finish ordering all your cards, and check out.
5. Print out your order and send with your check to school by order day.
6. You will receive an e-mail from Shop With Scrip once the money has been loaded onto your card. Then you can use the card and the money will be there.

****Make sure your gift card is one you purchased thru the Scrip program and hold onto it even if it has a \$0 balance for reloads.**
