

SSRCS CHRISTMAS PROGRAM

Friday December 20th at 10:00am

Friday December 20th will be our annual school Christmas program. This year's program is being held in the church. Doors will open at 9:45am. Our event will begin at 10am and will showcase all of our SSRCS students. The program should run around an hour in length, if you need to plan ahead.

Our students will perform by grades and when they are done they may join their families to enjoy the rest of the program. When the program is over we will dismiss by grades back to the classroom, where you can sign your child out to leave. Please remember to send a note if your child is leaving with someone other than yourself.

We look forward to you attending and celebrating Christmas with us at SSRCS!
