

Dear Saint Sebastian Regional Catholic School Community,

As we reflect on the many things for which we are thankful, I want to take this opportunity to share just a few of the things that I am thankful for:

THANK YOU for allowing me to serve you and your children.

THANK YOU for the gift of becoming part of the St. Sebastian Regional Catholic School Community which you have helped to create.

THANK YOU for inspiring me with your model of generosity and service.

THANK YOU for your amazing children I am blessed to work with on a daily basis.

THANK YOU for accepting me as the new principal at SSRCS and giving me the opportunity to build upon the great model of spirituality, love, academic rigor, and support established by previous leadership and care.

THANK YOU for "letting me be me."

THANK YOU for making me, in just a few short months, feel that I am at home.

I would like to wish all of you and your families a happy, healthy and relaxing Thanksgiving holiday!

Happy Thanksgiving!!
