## MORNING DROP OFF

Please be aware of the morning drop off routine. If your child is able to get in and out of the car on their own, please use the drop off lane in the parking lot. Any child who needs assistance getting out the car, please DO NOT use the drop off lane. You can park on the street, either side, and get out and help your child out of the car. This will help with cars being backed up in the morning. Also, it is a safety issue. Please do not leave your car unattended and running.
