SURVEY RESULTS

Thank you to everyone who has already filled out the survey. Here is an overview of the results:

Most are Very Satisfied with the current schedule and feel that we are giving just the right amount of work. You all had some wonderful suggestions regarding the use of Homework Central, having a list for each student to have accounts and passwords readily available, using more than just facebook to showcase/highlight students, and so much more. I'm happy to know that almost everyone feels that our teachers and staff have been extremely helpful to you. Everyone who shared some input/concerns, please know we promise to do our best and give you our best at all times. With your help, I will always be looking for ways to better our program and make sure we maintain a happy and strong reputation within our community!

On behalf of the Teachers, Staff, and Myself at SSRCS we'd like to thank you for your support and patience as we move through this fourth quarter.

God Bless,

Mrs. Aiello
