

Principal's Reminder 03/02/18

Welcome to the St. Sebastian Regional Catholic School, where we form disciples of Jesus and strengthen the community of faith of our Church.

Is your child or someone's child you know struggling?

Please consider referring your child or someone else's to the Student Assistance Program (SAP). A Team of trained staff members will review the referral, investigate the concern, and determine if the referral should be addressed by the Team with the parent(s) or if it needs immediate attention from the Principal. Simply call the School Counselor, Mrs. Billie Robinson, or any Team member (Mr. Domiano or Mrs. Stockey) at 724.929.5143 to refer. You will have to leave your name and contact information, so that the Team can contact you with questions, but your identity will not be shared with anyone.

See the "Family Resources" tab on our website (www.ssbv.org) and click on the SAP link for more information.

Safety—All the more reason to keep God in Schools. I see that shots were fired at Central Michigan University, today. This is becoming a daily occurrence. In our ongoing efforts to keep your children safe, SSRCS Staff received extensive training updates, today on safety. Our teachers are working with the children, teaching them ways to remain safe and how to respond in an emergency. We are cognizant of their ages and anxiety levels and address incidents accordingly. We will continue to be vigilant about your child's safety. Please be understanding if it poses an inconvenience of any kind. Keep all children in your prayers.
