**Welcome to the St. Sebastian Regional Catholic School, where we form disciples of Jesus and strengthen the community of faith of our Church.**

### Leadership Angels

Our 6<sup>th</sup> graders are mentoring the younger students during the morning announcements to read the Our Father (Klayton) and to say the Pledge (Aiden). At the end of the day, Hayden

and Carmine

are shown creating their own or reading their class Prayer.

### 6<sup>th</sup> Grade students are modeling the **Rock Cycle**

processes by creating models out of Starbursts.

Someone tell them not to eat the rocks!

### Robotics Club

Students are writing a program to weave a robot between pylons.

### The Maker Space in Constant Use

Second grade is building landform models to accompany both

science and social studies lessons on the Earth's features.

### 100<sup>th</sup> Day of School

Kindergarten explored what 100 represents throughout the day. Shown here is Kindergarten

taking 100 steps from the Office, building 100 blocks, and creating 10 blocks of 10 stickers to count to 100!
