

2023-24 Registration/Intent

Dear Parent/Guardian:

We look forward to welcoming you to another exciting school year! Please help us with next year's planning by completing the information below and returning it to the school office by January 27, 2023. As a current student, we offer priority enrollment to you first. We will open enrollment to the public on January 30, 2023. The increase in enrollment does NOT guarantee we have 2 classes in each grade-so placement in classes is first come.

To consider your child officially registered for the 2023-24 school year, you must return this paper and \$65 deposit.
